Dear Mrs. Gillette:

I have done well in spelling  
I guess well in English.

I have not done very  
well in Arithmetic.

I guess I have done fair  
in reading. I do fair in writing.

To be truthful with my-  
self, I was good and bad.

YOUR PUPIL

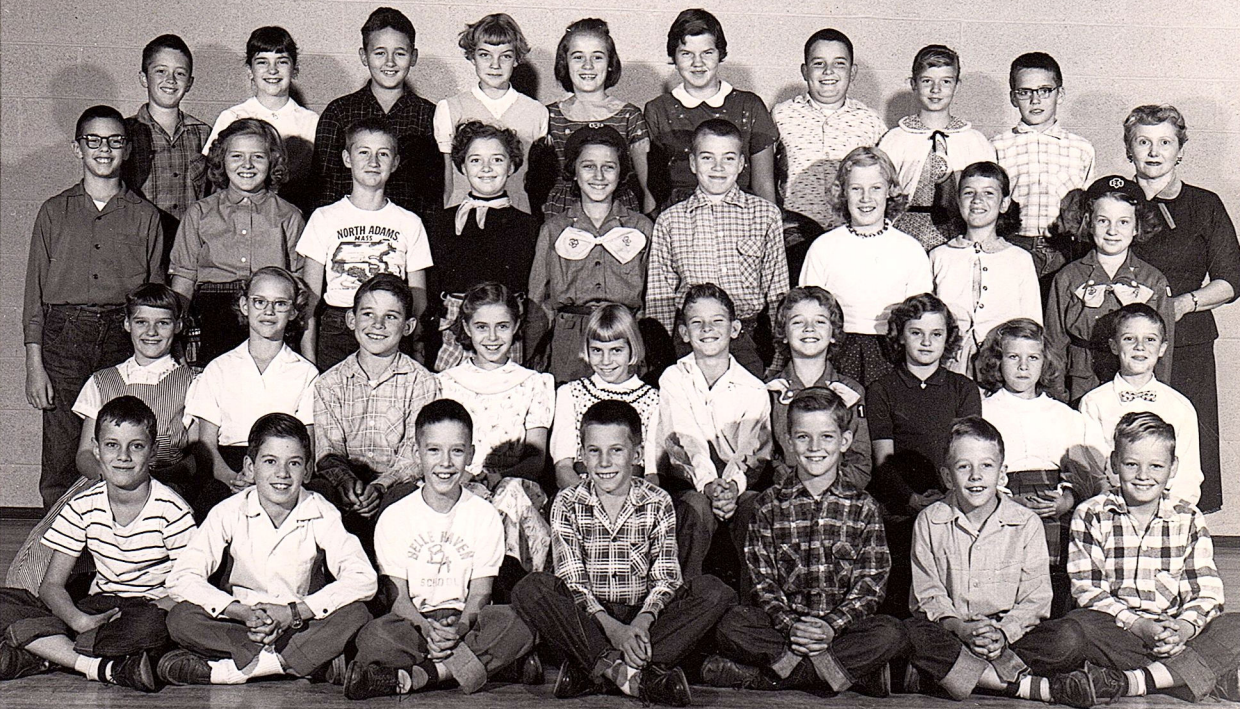

BOBBIE JEAN FRANKLIN

You are very honest Bobbie.  
You are a better student  
than you give yourself credit.  
You are always good. I cannot  
remember you ever be naughty.  
Very nice paper. Thank you  
Mrs. Gillette!
